RE: Final Solar Ponds Plume Decision Document Modification

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division approves this document as a minor modification to the Solar Ponds Plume Decision Document. We appreciate the efforts of your staff to reach agreement on the monitoring requirements we requested and your willingness to provide work control documents as they are developed. We hope this modification is effective in allowing the system to treat more of the water being collected.

If you have any questions regarding this correspondence please contact me at (303) 692-3367, Carl Spreng at 303-692-3358, or Elizabeth Pottorff at 303-692-3429.

Sincerely,

Steven H. Gunderson
RFCA Project Coordinator
